Insurance Solutions for Peace of Mind

Through our established relationships with the largest and most reputable insurers in the UK, and together with our own specialist products, we pride ourselves on being able to find the best possible protection for you regardless of occupation, health condition or age.

Income Protection Insurance

A small monthly payment provides cover so that if you do have to take time off work because of an accident or illness, you'll receive a regular income.

Accident Cover

Plans provide lump sum payments for accidents, extended hospital stays and for accidental death, as well as providing daily hospital benefits.

Life & Critical Illness Insurance

Pays out in the event of your death. Critical illness cover pays a cash lump sum upon diagnosis of a specified critical illness.

Private Medical Insurance

Avoid NHS waiting lists, receive fast-track consultations and private treatment for short-term curable medical problems.

Your peace of mind is worth it: protect your loved ones and cover your financial obligations in the event of an illness, an accident or your death.
